Matej Farkaš
PHP developer

I am a self-taught developer with industry experience building websites and web applications for bigger Czech companies (O2, Vodafone, Amundi, Hypotecni Banka).

Education

Master's degree,
University of Economics Prague / From 2012 to 2018

Work experience

PHP developer
MEDIA FACTORY Czech Republic a.s. Prague / Since October 2017

Digital company with wide customer's base. Mostly bigger clients, such as Vodafone, O2, Hypotecni Banka...
I worked here for 2 years as back-end PHP developer in scrum team, came across their own framework BaseOn (reason why I left).

Junior PHP/JS intern
Ipsos Czech Republic Prague / From February 2016 to July 2017

Developing reporting CMS "Elise" for clients such as KB, Škoda auto, Continental... using nette framework.

Waiter
The Landing at Sunset Island Ocean City, MD, USA / From May 2016 to September 2016

Summer Work and Travel programe for university students

Lifeguard
Greater Houston Pool Mgmt Houston, TX, USA / From July 2014 to September 2014

Summer Work and Travel programe for university students

HTML/CSS coder
Blueghost.cz Prague / From June 2013 to February 2014

Starting from the bottom, my first tech job - as HTML/CSS coder.
